IMPERIAL QUARTO. ENGLISH AND CHINESE DICTIONARY. . WITH THE PUNTI AND MANDARIN PRONUNCIATION. An Anglo-Chinese Dictionary, by the Rev. W. LOBSCHEID, published at the Daily Press Office, Hungkong.

MOR scope and practical service this Work stands unrivalled. All the new words which the Chinese have of late years been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of the above establishment, it having been foreign relations has imposed upon them, are and stored at Consignees risk and expense, here given in extenso. Each and every word is fully illustrated and explained, forming excrcises for students of a most instructive nature. Both the Court and Punti pronunciations are previously attained, and dispensing with those under Messrs. Russell & Co.'s offices. utilitarium purposes so complete, that a re. will be taken. ference to its pages enables a person who understands English to communicate effectively with natives who understand nothing but Chinese. In this respect the work will be found indispensable to all Europeans residing in China it cannot but be invaluable occasionally.
